

Garfield Group's Mission:

DEVELOP BREAKTHROUGH COMMUNICATIONS THAT DRIVE BUSINESS RESULTS.

Combining strategy, creativity and technology, we turn meaningful insights into online and offline programs that get attention, generate demand and deliver a measurable return on investment.

▶ ABOUT US:

Garfield Group is a full service communications agency with three integrated divisions, Garfield Group Branding, Garfield Group Public Relations and Garfield Group Interactive.

Our company is led by a senior team experienced in working with both global leaders as well as small, emerging start-ups. Focused on the rapidly changing technology and life sciences industries, we're large enough to be trusted with some of the world's best known brands, but small enough to focus senior talent on every account.

▶ CORE STRENGTHS:

- Strategy and experience to profile audience motivations at a deep level and develop big ideas.
- Breakthrough creative and an integrated approach online and offline to optimize the value of every dollar invested.
- Exceptional account management that builds trusted, long-term relationships.
